

## **PERI 180 ROTATING INFANT CAR SEAT - DESERT WONDER**

SKU: IC364GKF

Make their world go ‘round with Peri™ 180°, our new rotating infant car seat featuring FlexiSpin rotation technology. Peri makes getting your little one in and out of their car seat easier than ever and reduces back strain. It is also the lightest rotating infant car seat available at under 8 lbs. (without canopy and inserts, which weigh approx. 1 lb.), so carrying it is a breeze. Peri 180 Rotating Infant Carseat Top Features: For rear-facing babies from 4–30 lbs. and up to 32". Peri 180° also features TensionFix™, which solves the most common installation problem 7 out of 10 parents unknowingly have—loose vehicle belt tension. TensionFix is our patent-pending red-to-green indicator that shows you when your belt has tension. We designed Peri with thoughtful features to make the journey with your little one easier for you both. Parents
