

ZENFIELD QUEEN PANEL BED

SKU: ZEN-559

Donning a unique divided upholstery design, Zenfield queen upholstered bed takes rustic-industrial to a higher level of comfort. Even the choice of upholstery—a "washed out" faux wool fabric in barely black hue—is simply dreamy. The platform-inspired frame sports a high-grain, textural finish with rich tone variation, metal banding and rivet accents. Mattress available, sold separately.

Made of veneers, hardwood and manmade wood. Textured, wire-brushed finish. Rustic metal accents in an aged pewter-tone finish. 3 padded panels upholstered in black faux wool fabric. Assembly required. Qualifies for Free Shipping.
